Edenbridge Town Council, Trustees of the Blossoms Park Public Recreation Ground

Edenbridge Town Council is the managing trustee of Blossoms Park Recreation Ground.

The trustees neither meet nor issue a report; the management of the entire area is under the day-by-day control of the Amenities Committee which in turn reports to the Council. The Council considers the management of all its open spaces, sets income levels and authorises expenditure as part of the annual budget. Its policy is the maintenance and improvement of such assets and the maximisation of their use for the benefit of the community as a whole.

A separate account is maintained for the total acreage and the figures are extracted from the councils annual accounts to give as accurate account as possible. Compensatory payments and receipts between the Council's and the Trust Accounts are made annually in the following financial year.
D Slater, RFO.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion of the view given by the accounts.

Independent examiner’s statement.

In connection with my examination, no matter has come to my attention:

- 1. Which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with SORP2000 and
 - to prepare accounts which accord with the accounting and to comply
 - with the requirements of the Act
