**10. PRESS RELEASE**

**5. MATTERS ARISING FROM THE MINUTES NOT COVERED ELSEWHERE, FOR REPORT ONLY**

**5.1 Land South Of Gaywood Farm Hole Lane Edenbridge TN8 6SL**

Proposed Generator/Energy Storage Compound. **Land South Of Gaywood Farm Hole Lane Edenbridge TN8 6SL** Ref. No: 16/01621/FUL

This application has now been withdrawn.

**5.2 Gaywood Farm Hole Lane Edenbridge KENT TN8 6SL**

Car park associated with Gaywood Farm Light Industrial Estate **Gaywood Farm Hole Lane Edenbridge KENT TN8 6SL** Ref. No: 16/02776/FUL

A near neighbour has been extremely concerned and disappointed by the Council's response to this application, even though members objected to it. Should the Officer be minded to approve, he would be obliged to discuss it with District members, and a copy of the response sent is below.

*Members object to the storage of caravans and buses or other items in the Green Belt and this part of the application should be resisted. Should the officers be minded to consider approving this application, members wish conditions to be applied to restrict the use of the parking to employees, customers and business users of the site. A further condition to ensure that, if open storage of caravans is allowed, this should not allow them to be occupied or used for sleeping in.*

**5.3 2 Minstrels Close Edenbridge KENT TN8 5GA**

Willow tree has died and needs to be removed to prevent it from falling and causing damage to the property. **2 Minstrels Close Edenbridge KENT TN8 5GA** Ref. No: 16/02973/W5DAY

At October Council members raised concerns and asked the Clerk to establish if the Tree Officer or a tree surgeon had assessed the tree. It has since been confirmed the Tree Officer at SDC visited the site, advised that the tree was dead and it was dealt with as urgent, as required by the five day application.

**5.4 Hilders Lane junction update**

The works at the Hilders Lane junction are due to be carried out on Sunday 13 November – a diversion will be in place – and Highways are looking to realign the speed limit signs with the village sign and install new Dragon's teeth.

**6. PLANNING APPLICATIONS TO BE CONSIDERED**

**9. TRANSPORT BUSINESS**

**9.1 Road issues**

**9.1.1 TRO 2013 Amendment 18 – Statutory Consultation – Parking Proposal – Ashby's Close**

An email has been received from Sevenoaks District Council.

‘As agent to the highway authority for Kent, Kent County Council, Sevenoaks District Council will shortly be promoting changes to parking arrangements in certain roads in the District, including a minor change in Ashby's Close, Edenbridge. Details of the parking proposal is shown on the attached plan, and is summarised in the attached public notice, statement of reasons and draft Traffic Regulation Order. *[attached]*

National legislation requires a formal (statutory) consultation on this change, and requires us to allow at least 21 days for responses. The consultation for the parking proposal runs from 13th October 2016, closing on 4th November 2016. As part of this process, a public notice will be published in the local press and erected in the roads concerned, details of the proposal and a link to an on-line survey will be published on the “public consultations” page of the District Council's website.

The outcome of the formal consultation will be reported to a future meeting of the Sevenoaks Joint Transportation Board, where a decision will be made on whether or not to proceed with the proposal.

In the meantime, if you have any comments or queries regarding this matter, please let me know. Please be aware that all responses are required to be in writing or via email.’

**Do members have any comments they wish to make?**

**9.1.2 Hillcrest Road double yellow lines**

At Planning & Transportation July 2015, members resolved to make a request to SDC Joint Transport Board to extend the double yellow lines along the whole of the south side of Hillcrest Road; and at October 2015, members resolved to request KCC to pursue extending the double yellow lines along the whole of the south side, as Cllr B Todd had confirmed that all the residents in Hillcrest Road were in favour. KCC said it would be added to their ‘quick win’ list for consideration for future funding, however the following has been received from the Traffic Engineer at Highways.

‘Extending parking restrictions requires a new Traffic Regulation Order and full consultation prior to implementation otherwise they are not enforceable. The TRO/consultation process

usually takes 2-3 months providing that there are no objections. A typical cost for this process and installation is in the region of £2,000 - 2,500.

However, KCC will only install parking restrictions if it is related to a safety issue e.g. at junctions where parked vehicles are causing visibility issues. The way that we assess this is by looking at the three-year injury crash data and having checked the crash history here there have been no crashes. Therefore we would not be able to provide funding for the request to extend parking restrictions in Hillcrest Road.'

**Do members wish to apply to the KCC Members' Allowance for funding for this work? At present all our Member's Allowance has been allocated, so an application couldn't be considered until May 2017.**

#### **9.1.3 KCC Local Transport Plan 4**

At the last meeting members resolved that each councillor should go online and complete the Local Transport Plan 4 consultation themselves.

A Planning Officer at SDC has just emailed the following request:

'I am currently drafting a District-wide response to KCC's Local Transport Plan consultation (<http://consultations.kent.gov.uk/consult.ti/LTP4/consultationHome>).

A number of measures have been identified throughout the District, as well as Kent-wide and regional priorities. These include:

- Rail and bus improvements
- Mitigating congestion
- Active travel (i.e. walking and cycling infrastructure)
- Improvements to particular junctions and roads

In order to ensure a targeted response, I would appreciate it if you could suggest any improvements that your town council would like to see, for example:

- Station and railway improvements
- Public transport improvements
- Investment in highways (e.g. motorway slip roads, bypass options)
- Particular improvements to junctions and roads.

I appreciate this is short notice, but I believe that this would be beneficial to the District Council's response. The final response will be submitted on **Friday 28<sup>th</sup> October**. If you can send your suggestions as soon as possible, I would appreciate it.'

**Please could members bring to the meeting the comments they have already sent to the KCC consultation, or would like sent, in order that they can all be forwarded to SDC and a targeted response be produced?**

#### **9.1.4 Temporary Street Closure Order – Bonfire Parade 5 November**

A copy of the Temporary Street Closure Order is attached.

#### **9.1.5 Road closure**

KHS has given notice of the following temporary road closure.

London Road, Westerham – from 3 December 2016 for up to 3 days. The road will be closed at the junction with Quebeck Avenue. The alternative route is via A233 Beggars Lane, A25 Westerham Road/Quebeck Square/Vicarage Hill/Market Square and vice versa. The closure is to enable gas main replacement works to be carried out by Southern Gas Networks.

## **9.2 Rail issues**

### **9.2.1 RMT strike action affecting Edenbridge school children**

Cllr S McGregor has written to Southern, at the request of a resident, regarding the difficult

situation that is affecting Edenbridge children who travel to school by train. He has asked what alternative solutions Southern can offer.

#### **9.2.2 Southern 2018 timetable consultation**

Cllrs R Bell and M Robson's proposed response on behalf of the Council is below.

'We have reviewed the new timetables and focus on the Redhill and Oxted routes that include Edenbridge and Edenbridge Town stations.

We are looking forward to the timely completion of the work at London Bridge enabling access for our residents on both the Redhill and Oxted routes via Thameslink to Bedford, Luton, Peterborough and St Albans.

The current situation with disruption at London Bridge due to station alterations and building work together with train cancellations due to understaffing and strikes is intolerable.

We are pleased that there will be no changes to the current timetable on the routes affecting the Edenbridge stations and encouraged that you are able to offer an additional two trains an hour to and from Edenbridge between 20:00 hours and 21:59 hours. Our view is that a preference would be to extend the hours to 22:59 hours particularly from Victoria.'

**Do members wish to add anything else before this is sent?**

#### **9.2.3 Uckfield Line Parishes Committee report from Cllr M Robson – attached**

### **9.3 Aviation issues**

#### **9.3.1 Further delay to new runway decision**

It has just been reported that Downing Street has postponed a final decision on expanding Heathrow or Gatwick until late 2017.

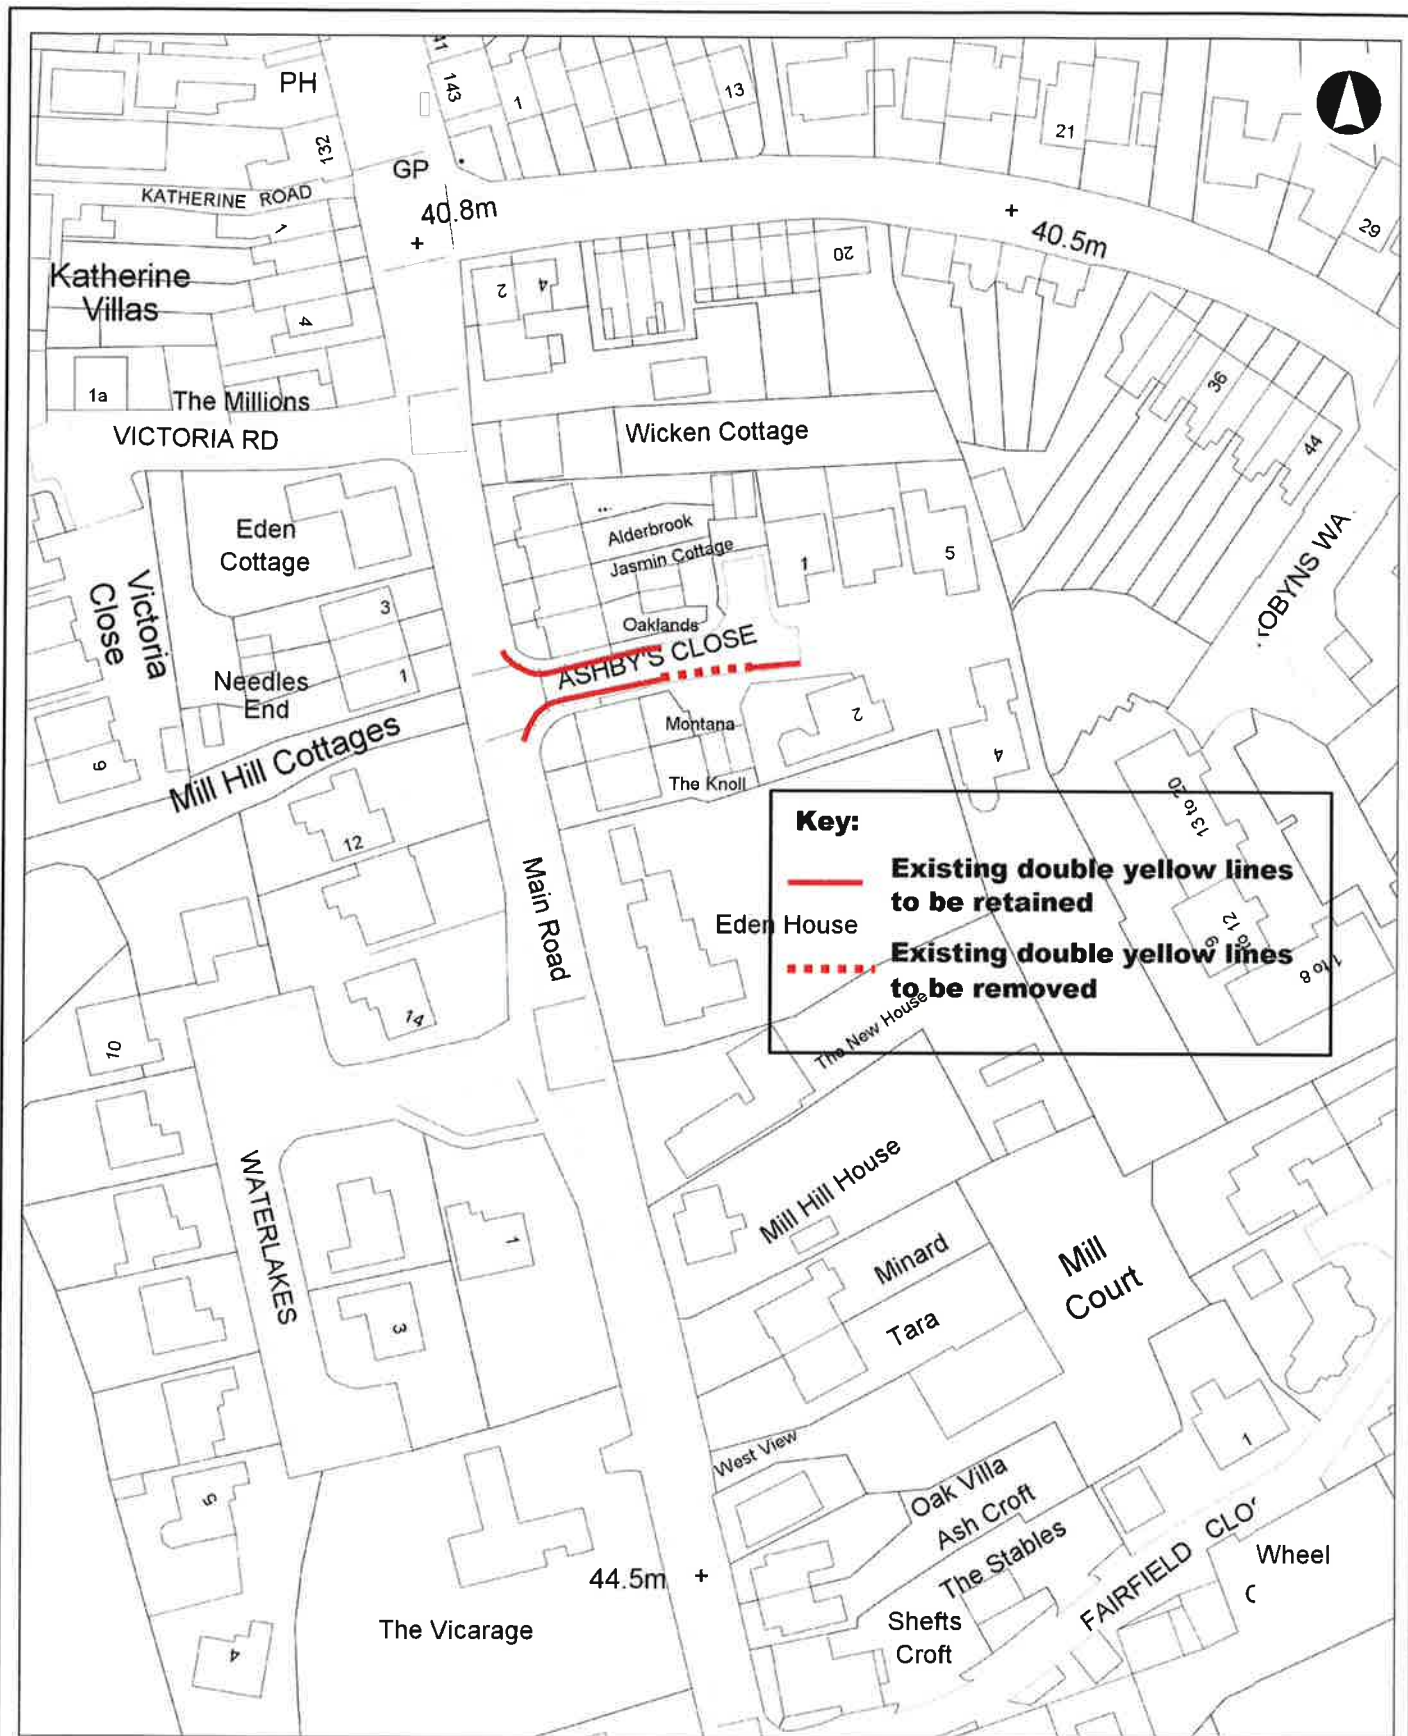

### **9.4 Highways report – hard copy available with the plans**

## **10. PRESS RELEASE**

Are there any items on the agenda for which members would like to issue a press release?

# Statement of Reasons

**THE KENT COUNTY COUNCIL  
(VARIOUS ROADS IN THE DISTRICT OF SEVENOAKS)  
(PROHIBITION AND RESTRICTION OF WAITING AND LOADING & UNLOADING AND  
ON-STREET PARKING PLACES) (AMENDMENT 18) ORDER 201\***

**Road Traffic Regulation Act 1984**

Kent County Council (KCC) proposes to make the above named Traffic Regulation Order (TRO) in the interest of avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).

KCC also proposes to make the TRO to ensure that certain descriptions in the "The Kent County Council (Various Roads in the District of Sevenoaks) (Prohibition and Restriction of Waiting and Loading and Unloading and On-Street Parking Places) (Consolidation) Order 2013" are amended to correspond to the current extent of the restriction marked on the road(s) concerned.

KCC also proposes to make the TRO to remove certain existing parking restrictions to improve parking availability.

# Uckfield Railway Line Parishes Committee.

A. G. N. 14<sup>th</sup> September 2016

Ian Smith was re-elected as chairman. Some deployment of the new rolling stock was delayed, due to problems with the operation of the automatic doors, but it is hoped that 10 car trains will be running on the 6.30, 7.05 & 7.31 from Uckfield.

The situation regarding parking was viewed with some urgency, and agreed that all stations on the line will need a great extension to existing parking to accommodate raised commuter numbers.

The London & South Coast Timetable consultation has not been issued, as yet, in its completed form.
