**6. FINANCIAL BUSINESS**

**6.1. Covid 2020/21 Accounts; Resident Shopping outstanding**

Covid-19 resident's shopping: To provide an update on the outstanding invoices for residents shopping. The majority of invoices have been paid, but there are still three elderly residents who have not paid; approximately £700 outstanding (as accounted in 2020/21). Office resources have been 2 stretched, but efforts are being made to recover this money. An update will be given to the Finance Committee. As a reminder, at the beginning of the pandemic, it became apparent that the Council had to take on responsibility to provide shopping and 'payment facilities' in the interim on for vulnerable residents who were unable to access cash. At the regular Covid-19 emergency meetings, it was agreed that up to £1k may be used for unexpected shopping/resident support, but that residents would be expected to reimburse the council once the restrictions were lifted.

**6.2** The Council grant application process is now open for this year, closing date for applications is the 1 November 2021

- 6.3** Rates for the Market Yard Toilets; the request for the Rates for the Public toilets to be reassessed by Sevenoaks District Council has been refused, we will be looking into this with the Valuation Office, KALC and NALC.

*One option for you would be to raise via your KALC Area Committee to look at this as a pan parish issue and raise local political pressure. The other option for you as a **Direct Access Council** with NALC would be to contact NALC Legal for a formal legal view. As you know this was something of a NALC campaign and so they should be in a good position to offer you legal advice on how best to proceed. NALC will also have a national perspective that should be valuable.*

## **7. GOVERNANCE**

The AGAR has been signed off by the External Auditors. There is a query that the Asset Value which is recorded as the Valuation rather than Insurance Value, see the comment of the AGAR which we are disappointed that it has been recorded as 'The AGAG was not accurately completed before submission for Review' both the Internal and External Auditors were contacted with regards to this, and both agreed that we were able to use 'any reasonable valuation method'

## **8. FINANCE CORRESPONDENCE**

**We have received some thanks from the grants that were issued last year**

Eden Christian Trust will not be applying for a grant from the Town Council this year. We were very fortunate to have been the chosen charity in the Sevenoaks District to be awarded the Centenary Grant from the Kent Community Foundation. This has boosted our finances this year and enabled us to continue to provide the much-needed activities for our local young people.

We thank the Town Council for their help in the past, which has allowed us to provide high quality services in the town and hope that they will be able to help in the future when needed.

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review:

- The smaller authority has not restated the 2019/20 figure when revaluing assets in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.

Other matters not affecting our opinion which we draw to the attention of the authority:

None.
