4. New Issues/Partner Agencies Round Up

RB reported that the Games & Puzzles Group is still running and is very successful.

RB said that the Speedwatch volunteers are visiting locations every now and again. RB said that she had requested Lingfield Road be assessed but has not heard anything from Kent Speedwatch. The location needs to be risk assessed.

RT suggested that the CCTV cameras be reviewed every morning for overnight ASB in the High Street.

KSa said that it would be very difficult for CCTV operators to review all over night footage. However, if there is an incident and times are known footage is reviewed.

KSa advised that if nuisance vehicles are affecting the residents consistently then this needs to be reported to 101 or 999 if it is felt that there is a danger to other road users.

Action

KSa will speak with the Road Safety Unit to see if they are able to support local Policing Teams.
