Edenbridge Town Council notes the Infrastructure Delivery Plan 2023 Statement, identifies the requirement for the expansion of existing primary schools in/around Edenbridge (Edenbridge Primary School and one other) arising from the development of housing sites HO15, HO16 and HO17, and mixed use sites MX7, MX8, MX9, MX10 and MX11. And, the requirement for a new 5FE secondary school for Edenbridge. (NB: the secondary school has already been allocated in an approved outline planning application for Four Elms Road (02988/OUT)).

The securement of the secondary school was based on existing population and inclusion of the Four Elms Road 340 units. Expansion of the town as indicated in ST2 could result in further need.

There is also limited early years providers, not enough currently or for an expanding town. No provision has been given to this.
