MQ read through the Action Plan. Updated Action Plan is available separately.

4. New Issues/Partner Agencies Round Up

GH stated that 16-18 year olds are not all bad. GH said that anyone is welcome to visit the Car Wash where a number of young people work. Unfortunately some people are using Fircroft Way as a race track, some with very loud exhausts.

GH said that more Police presence on the estate is needed. Young people riding motor bikes inconsiderately and possibly dealing drugs.

AL said that this needs to be reported to the Police.

CL informed the group that Edenbridge Town Council are currently requesting resident's views via a consultation on dog behaviour.

Action

RD informed the group that LH will be working on Spitals Cross, finding out how people feel about where they live.

RD said that they are trying to set up a Spitals Cross Resident Action Group which is for anyone who wants to participate.

Parking on Spitals Cross is really bad at the moment and it would be difficult for emergency vehicles to gain access.

RM said that residents are able to let the Edenbridge Station know, KFRS are able to visit in order to leaflet vehicles causing an obstruction.

5. Top 3 Priorities

Obstruction Parking on High Street between 6pm and 9pm.
Lingfield Road Recreation Ground
Delivery drivers along the High Street.

6. Any Other Business

Nothing was discussed under this item.

**The date of the next meeting Monday 15th January 2022
