4. New Issues/Partner Agencies Round Up

TS said that Gill Humble would have to close the Community Car Wash because the facilities they currently use will not be available.

TS said that Gill is looking for other locations, but TS said that SDC should help to locate a premise for them. MM said that SDC do not currently have any premises that are available to use. MM said that Edenbridge Town Council do not own any properties that would be suitable for use.

MQ said that Gill could contact the Community Safety Unit via email to explain the current situation and the CSU would see what help can be offered. TS will report back to Gill.
